SENSORI ROBOTICS, LLC

Telepath and Yuri Robot Operator

End User License Agreement, Assumption of Risk, Release and Indemnity

Version 1.1 | Effective Date: November 2, 2026

IMPORTANT — READ CAREFULLY BEFORE CREATING A TELEPATH ACCOUNT OR OPERATING YURI

YURI IS A POWERED ROBOT WITH MOVING ARMS, GRIPPERS AND (FOR YURI MOBILE) A MOTORIZED BASE. IT CAN CAUSE SERIOUS BODILY INJURY, DEATH AND PROPERTY DAMAGE, WHETHER IT IS OPERATED CORRECTLY OR INCORRECTLY.

BY CLICKING "I AGREE", CREATING A TELEPATH ACCOUNT, OR OPERATING YURI, YOU (1) ACCEPT FULL RESPONSIBILITY FOR YOUR USE OF YURI AND TELEPATH; (2) VOLUNTARILY ASSUME ALL RISKS OF THAT USE; (3) RELEASE SENSORI FROM CLAIMS, INCLUDING CLAIMS ARISING FROM SENSORI'S OWN NEGLIGENCE (SECTIONS 9 AND 10); (4) AGREE TO INDEMNIFY SENSORI, INCLUDING FOR SENSORI'S OWN NEGLIGENCE (SECTION 11); AND (5) WAIVE YOUR RIGHT TO A JURY TRIAL (SECTION 18).

IF YOU DO NOT AGREE TO EVERY TERM OF THIS AGREEMENT, DO NOT CREATE AN ACCOUNT AND DO NOT OPERATE YURI.

1. Parties and Scope

1.1 This End User License Agreement, Assumption of Risk, Release and Indemnity (the "**Agreement**") is a binding legal agreement between you, the individual creating a Telepath account or operating a Yuri robot ("**you**" or "**Operator**"), and Sensori Robotics, LLC, a Texas limited liability company ("**Sensori**," "**we**," or "**us**").

1.2 This Agreement governs (a) your creation and use of a Telepath account; (b) your access to and use of the Telepath software, any Sensori-hosted Telepath services, and the Documentation; and (c) your operation of, presence near, or interaction with any Yuri robot, whether directly, by teleoperation, by VR headset, by leader arm, by joystick, or by deploying an autonomous or learned policy.

1.3 You may be operating Yuri on behalf of a university, laboratory, company or other organization that purchased or leases the Robot (the "**Customer**"). The Customer's purchase, lease or other agreement with Sensori (the "**Customer Agreement**") governs the relationship between Sensori and the Customer. This Agreement is a separate, personal agreement between you and Sensori. Nothing in this Agreement reduces the Customer's obligations to Sensori, and nothing in the Customer Agreement reduces your obligations under this Agreement.

2. Definitions

- "**Robot**" or "**Yuri**" means any Yuri Desktop or Yuri Mobile robot supplied by Sensori, including its follower arms, grippers, leader arms, joysticks, mobile base, sensors, cameras, batteries, chargers, power supplies, onboard computer, cabling and accessories, and any modification of them.
- "**Telepath**" means Sensori's teleoperation, robot control and data-capture software, including its user interface, authentication and account system, device pairing, VR teleoperation, data-capture, labeling and

episode-editing functions, and any Sensori-hosted services, servers or APIs through which Telepath operates (the "**Telepath Service**").

- "**Account**" means the login credentials and account you create to access Telepath.
- "**Documentation**" means the user manuals, safety instructions, quick-start guides, training materials, labels, warnings and other instructions Sensori provides for the Robot or Telepath, as updated from time to time.
- "**Session**" means any period during which you are logged in to Telepath or the Robot is powered and under your control, including control by a policy you started.
- "**Policy**" means any autonomous, learned, scripted, AI-driven or inference-mode control program, model or behavior that commands the Robot, whether developed by Sensori, the Customer, you, or a third party.
- "**Sensori Parties**" means Sensori and its members, managers, officers, employees, contractors, agents, suppliers, licensors, distributors, successors and assigns.
- "**Claims**" means any and all claims, demands, actions, causes of action, suits, losses, damages, liabilities, judgments, settlements, penalties, fines, costs and expenses (including reasonable attorneys' and expert fees), of any kind, whether known or unknown, and whether based in contract, tort (including negligence and strict liability), product liability, statute or any other legal theory.

3. Eligibility and Acceptance

3.1 **Eligibility.** You may create an Account and operate the Robot only if you: (a) are at least 18 years old and have full legal capacity to enter into this Agreement; (b) are authorized by the Customer to operate the Robot; (c) have completed the safety training required by Sensori and by the Customer; (d) have read and understood the Documentation; and (e) are not barred from receiving the Robot or Telepath under applicable export control or sanctions laws.

3.2 **No minors.** Persons under 18 may not create an Account or operate the Robot, and may be present in the Robot's operating area only under the direct, continuous supervision of an authorized adult Operator and only where permitted by the Customer's policies.

3.3 **Electronic acceptance.** You agree that clicking "I Agree," checking an acceptance box, creating an Account, logging in, or operating the Robot constitutes your electronic signature and acceptance of this Agreement, with the same force and effect as a handwritten signature, under the Texas Uniform Electronic Transactions Act and the federal E-SIGN Act.

3.4 **Updates.** Sensori may update this Agreement. When it does, Telepath will require you to review and accept the updated version before your next Session. If you do not accept, you may not continue to use Telepath or operate the Robot.

4. Account and Security

4.1 You must provide accurate, current and complete information when creating your Account and keep it up to date.

4.2 Your Account is personal to you. You must not share your credentials, let any other person operate the Robot under your Account, or use another person's Account. You must use multi-factor authentication if Telepath offers or requires it.

4.3 **You are responsible for all activity that occurs under your Account,** including any Robot motion commanded while you are logged in, unless you notified Sensori of unauthorized use before that activity occurred.

4.4 You must immediately notify Sensori at support@sensorirobotics.com (subject line "Security") and the Customer if you suspect any unauthorized access to your Account, any compromise of Telepath, or any security vulnerability. You must not exploit, test or disclose any vulnerability except as Sensori authorizes in writing.

4.5 You must not attempt to bypass, disable or interfere with Telepath's authentication, access controls, encryption, logging, rate limits, safety interlocks or other security or safety features.

4.6 Sensori may suspend or terminate your Account, end any Session, or lock out the Robot at any time, without notice, if Sensori believes this is necessary for safety, security, legal compliance, or enforcement of this Agreement or the Customer Agreement. Sensori has no obligation to monitor Sessions and gives no assurance that it will detect or prevent any unsafe condition.

5. License

5.1 **Third-party and open-source components.** Telepath and the Robot firmware are proprietary to Sensori. They include third-party software components, some of which are distributed under open-source licenses (for example the Apache License 2.0 and the MIT License) identified in the Documentation or in the notices shipped with the software (the "**Third-Party Licenses**"). Your rights in those components are governed by the applicable Third-Party License, and nothing in this Agreement limits rights that a Third-Party License grants you in that component. This Agreement does, however, govern your Account, your use of the Telepath Service, and your operation of any Robot, including when the Robot is controlled by a modified version of Telepath.

5.2 **Telepath Service and proprietary components.** Subject to this Agreement, Sensori grants you a limited, personal, revocable, non-exclusive, non-transferable, non-sublicensable license to access and use the Telepath Service, any non-open-source components of Telepath, the Robot firmware and the Documentation, solely to operate Robots that the Customer is authorized to use, for research, development, education and evaluation purposes.

5.3 **Restrictions.** Except as expressly permitted by a Third-Party License for a particular component, you must not: (a) reverse engineer, decompile or disassemble any proprietary component, firmware or the Telepath Service; (b) resell, rent, lease or provide the Telepath Service to third parties; (c) use Telepath to control any robot other than a Sensori-authorized Robot; (d) remove or alter any proprietary notice, label or warning; (e) use the Telepath Service to build a competing service; or (f) use Telepath or the Robot in violation of law or this Agreement.

5.4 **Modified software.** If you or anyone else modifies Telepath, the Robot firmware, any Policy, any safety limit (such as joint, velocity, torque, force or workspace limits), or any Robot hardware, you do so entirely at your own risk, and the release, assumption-of-risk and indemnity provisions of this Agreement apply in full to any resulting injury or damage.

5.5 **Reservation of rights.** Sensori and its licensors retain all right, title and interest in the Telepath Service, proprietary components, firmware, Documentation and Sensori trademarks. No rights are granted except as expressly stated in this Agreement or a Third-Party License.

6. Nature of the Robot and Known Hazards

6.1 **Research robot.** Yuri is an experimental research and development platform. It is not a consumer product, a medical device, a toy, or a certified industrial or collaborative robot. **Unless Sensori states otherwise in writing for a specific unit, the Robot has not been certified to any industrial robot safety standard** (including ISO 10218, ISO/TS 15066, ANSI/RIA R15.06 or ANSI/RIA R15.08), and it must not be relied on as a safety-rated system.

6.2 **Hazards.** You acknowledge that the hazards of operating or being near the Robot include, without limitation:

- **Mechanical hazards:** sudden, fast, forceful or unexpected motion of arms, grippers, leader arms or the mobile base; striking, crushing, pinching, shearing, entanglement and trapping of fingers, hands, hair, clothing and jewelry; dropped or thrown objects.
- **Mobile base hazards (Yuri Mobile):** collisions with people, animals, furniture or structures; running over feet; tipping; falling down stairs, ramps, loading docks or edges; loss of traction; and failure to detect obstacles, glass, reflective, transparent or low-lying objects.
- **Force-feedback hazards:** OpenLeader leader arms and controllers can move under motor power and apply force to your hands, wrists and arms, including unexpected force caused by contact at the follower arm, software faults or loss of communication.
- **Autonomous and AI hazards:** Policies, including learned and inference-mode Policies, are probabilistic and may behave unpredictably, inconsistently, or differently from training, and may move the Robot in ways no operator commanded or anticipated.
- **Software, network and remote-operation hazards:** latency, dropped connections, delayed or repeated commands, software bugs, firmware faults, sensor errors, cyberattacks and loss of control, including during remote teleoperation from another location.
- **VR hazards:** disorientation, loss of situational awareness, motion sickness, eye strain, headaches, trips and falls, and collisions while wearing a VR headset, including with the Robot.
- **Electrical and battery hazards:** electric shock, short circuits, overheating, fire, explosion and release of toxic fumes, including from lithium-ion batteries and chargers.
- **Other hazards:** hazards from objects the Robot handles (including sharp, hot, heavy, fragile or hazardous items), unexpected restart after a fault or power loss, failure of emergency stop or other safety functions, and hazards not yet known to Sensori.

6.3 **Risk remains even with correct use.** You understand that **these hazards exist and can cause injury, death or damage even when the Robot and Telepath are operated exactly as described in the Documentation,** and even if the Robot, Telepath, a Policy or the Documentation contains a design, manufacturing, software or warning defect.

7. Operator Responsibilities

7.1 **You are solely responsible for the safe operation of the Robot during every Session.** Without limiting that responsibility, you must:

- complete all required training and follow the Documentation, the Customer's safety policies, and all applicable laws and regulations;

- before each Session, inspect the Robot, cables, batteries and work area, and confirm that every emergency stop is within reach and functions correctly;
- perform and follow a risk assessment for each task, workspace and Policy, and establish a clearly marked operating area;
- keep all persons who are not essential to the Session out of the Robot's reach envelope and travel path, and stop immediately if anyone enters it;
- when operating Yuri Mobile, or when operating any Robot remotely or by Policy, ensure that a trained safety observer is physically present with immediate access to an emergency stop, unless the Robot is in an enclosed, access-controlled cell;
- keep within the Robot's rated limits and never disable, bypass or modify any emergency stop, safety limit, interlock, guard or warning;
- supervise every Policy you start for its full duration and be ready to stop the Robot instantly;
- not operate the Robot while impaired by alcohol, drugs, medication, fatigue or any condition that affects your judgment, reaction time or coordination;
- stop the Robot and report to the Customer and to Sensori immediately any malfunction, unexpected motion, near miss, injury or damage, and not resume operation until the cause is understood and corrected; and
- secure the Robot (powered down or locked out) when it is unattended.

7.2 **Prohibited uses.** You must not use the Robot or Telepath: (a) to intentionally contact, restrain, lift, feed, bathe or otherwise physically interact with a person or animal; (b) on or near a person who has not been informed of and consented to the risks; (c) as, or as part of, a weapon or to harm any person, animal or property; (d) to handle explosives, firearms, hazardous chemicals, biological agents or radioactive materials; (e) for medical, life-support or safety-critical purposes; (f) in public spaces, on public roads or outdoors except as permitted in the Documentation and by law; (g) to record, monitor or surveil any person without the consent and notices required by law and the Customer's policies; or (h) for any unlawful purpose.

8. Data, Monitoring and Privacy

8.1 **Data collected.** Telepath collects and processes Account information (such as name, email, organization and credentials), authentication and access logs, Session logs, Robot telemetry, fault and safety-event data, and, when you capture it, teleoperation data such as joint states, force/torque, video, images and audio ("**Session Data**").

8.2 **Ownership and use.** Ownership and permitted uses of Session Data captured by the Robot are governed by the Customer Agreement. Sensori may use Account information, logs, telemetry and fault data to provide, secure, support, maintain and improve Telepath and the Robot, investigate incidents, comply with law, and enforce this Agreement. Sensori does not sell Account information or Session Data.

8.3 **Third parties in recordings.** You are responsible for ensuring that anyone captured in cameras, microphones or other sensors during your Sessions has received any notices and given any consents required by law and the Customer's policies.

8.4 **Remote functions.** You consent to Sensori's ability to remotely log, diagnose, update, stop, lock or disable the Robot and Telepath for safety, security, support or legal compliance. These functions are not safety-rated and you must never rely on them in place of a local emergency stop.

8.5 **Retention and questions.** Sensori keeps Account information, access logs and records of your acceptance of this Agreement for as long as your Account exists and for at least seven (7) years afterwards, and keeps other logs, telemetry and fault data for as long as needed for the purposes in Section 8.2. Questions about this Section go to support@sensorirobotics.com.

9. Assumption of Risk

9.1 YOU UNDERSTAND THAT OPERATING, TELEOPERATING, PROGRAMMING, DEPLOYING POLICIES ON, MAINTAINING, OR BEING NEAR THE ROBOT IS INHERENTLY DANGEROUS AND CAN RESULT IN SERIOUS BODILY INJURY, PERMANENT DISABILITY, DEATH, AND DAMAGE TO OR LOSS OF PROPERTY AND DATA.

9.2 YOU KNOWINGLY, VOLUNTARILY AND EXPRESSLY ASSUME ALL RISKS OF ANY KIND ARISING OUT OF OR RELATED TO YOUR USE OF THE ROBOT AND TELEPATH, WHETHER KNOWN OR UNKNOWN, AND WHETHER THE ROBOT AND TELEPATH ARE USED CORRECTLY OR INCORRECTLY, INCLUDING RISKS CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF THE SENSORI PARTIES OR BY ANY DEFECT IN THE DESIGN, MANUFACTURE, SOFTWARE, FIRMWARE, POLICIES, WARNINGS OR DOCUMENTATION OF THE ROBOT OR TELEPATH.

9.3 YOU ACCEPT FULL AND SOLE RESPONSIBILITY FOR ANY BODILY INJURY, DEATH, PROPERTY DAMAGE OR OTHER LOSS SUFFERED BY YOU OR BY ANY OTHER PERSON THAT ARISES OUT OF OR RELATES TO ANY SESSION, ANY ACTIVITY UNDER YOUR ACCOUNT, OR ANY POLICY YOU DEPLOY.

10. Release and Waiver of Claims

10.1 TO THE FULLEST EXTENT PERMITTED BY LAW, YOU, ON BEHALF OF YOURSELF AND YOUR HEIRS, EXECUTORS, ADMINISTRATORS, REPRESENTATIVES AND ASSIGNS, HEREBY RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE THE SENSORI PARTIES FROM AND FOR ANY AND ALL CLAIMS ARISING OUT OF OR RELATED TO YOUR ACCOUNT, YOUR USE OF TELEPATH, OR YOUR OPERATION OF, PRESENCE NEAR, OR INTERACTION WITH THE ROBOT, INCLUDING CLAIMS FOR BODILY INJURY, ILLNESS, DEATH, PROPERTY DAMAGE AND LOSS OF DATA.

10.2 THIS RELEASE EXPRESSLY INCLUDES CLAIMS ARISING FROM OR CAUSED BY THE SOLE, JOINT, CONCURRENT OR COMPARATIVE NEGLIGENCE OF ANY SENSORI PARTY, AND CLAIMS BASED ON STRICT LIABILITY OR PRODUCT LIABILITY (INCLUDING DESIGN, MANUFACTURING, SOFTWARE AND WARNING DEFECTS). YOU INTEND THIS RELEASE TO SATISFY THE TEXAS EXPRESS NEGLIGENCE DOCTRINE AND FAIR-NOTICE REQUIREMENTS.

10.3 YOU UNDERSTAND THAT BY AGREEING TO THIS SECTION YOU ARE GIVING UP SUBSTANTIAL LEGAL RIGHTS, INCLUDING THE RIGHT TO SUE THE SENSORI PARTIES FOR THEIR OWN NEGLIGENCE.

11. Indemnification

11.1 TO THE FULLEST EXTENT PERMITTED BY LAW, YOU WILL DEFEND, INDEMNIFY AND HOLD HARMLESS THE SENSORI PARTIES FROM AND AGAINST ANY AND ALL CLAIMS BROUGHT BY ANY THIRD PARTY (INCLUDING ANY OTHER PERSON INJURED BY THE ROBOT, THE CUSTOMER, OR YOUR HEIRS OR REPRESENTATIVES) ARISING OUT OF OR RELATED TO: (A) ANY SESSION OR ACTIVITY UNDER YOUR ACCOUNT; (B) ANY POLICY YOU DEPLOY; (C) ANY MODIFICATION YOU MAKE TO THE ROBOT, TELEPATH OR ANY SAFETY LIMIT; (D) YOUR BREACH OF THIS AGREEMENT; OR (E) YOUR VIOLATION OF ANY LAW OR THIRD-PARTY RIGHT.

11.2 THIS INDEMNITY APPLIES EVEN IF THE CLAIM IS CAUSED IN WHOLE OR IN PART BY THE SOLE, JOINT, CONCURRENT OR COMPARATIVE NEGLIGENCE, STRICT LIABILITY OR PRODUCT DEFECT OF ANY SENSORI PARTY.

11.3 Sensori may participate in the defense of any Claim with counsel of its choice. You must not settle any Claim that imposes any obligation or admission on a Sensori Party without Sensori's prior written consent.

12. Disclaimer of Warranties

12.1 AS BETWEEN YOU AND SENSORI, THE ROBOT, TELEPATH, THE TELEPATH SERVICE, ANY POLICY AND THE DOCUMENTATION ARE PROVIDED "AS IS," "AS AVAILABLE" AND "WITH ALL FAULTS." TO THE FULLEST EXTENT PERMITTED BY LAW, SENSORI DISCLAIMS ALL WARRANTIES TO YOU, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, SAFETY, ACCURACY, AND UNINTERRUPTED, SECURE OR ERROR-FREE OPERATION.

12.2 Any warranty Sensori gives for the Robot is given only to the Customer, only in the Customer Agreement, and confers no rights on you.

13. Limitation of Liability

13.1 TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL ANY SENSORI PARTY BE LIABLE TO YOU FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, OR FOR LOST PROFITS, LOST DATA, LOST RESEARCH OR BUSINESS INTERRUPTION, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, EVEN IF ADVISED OF THEIR POSSIBILITY.

13.2 TO THE FULLEST EXTENT PERMITTED BY LAW, THE TOTAL AGGREGATE LIABILITY OF THE SENSORI PARTIES TO YOU FOR ALL CLAIMS ARISING OUT OF OR RELATED TO THIS AGREEMENT, TELEPATH OR THE ROBOT WILL NOT EXCEED ONE HUNDRED U.S. DOLLARS (US $100).

13.3 These limitations are an essential basis of the bargain and apply even if any limited remedy fails of its essential purpose.

14. Limits Imposed by Law

14.1 Some jurisdictions do not allow the release, exclusion or limitation of certain liabilities, such as liability for gross negligence, willful misconduct or fraud. Sections 9 through 13 apply to the fullest extent permitted by applicable law, and nothing in this Agreement excludes or limits any liability that cannot be excluded or limited by law. If any part of those Sections is held unenforceable, the remaining parts will continue in full force, and the unenforceable part will be enforced to the maximum extent permitted.

15. Insurance and Incident Reporting

15.1 You acknowledge that Sensori does not provide insurance for you, and that you are responsible for determining whether you are covered by the Customer's insurance, workers' compensation, or your own health, disability, life and liability insurance.

15.2 You must report any injury, near miss, property damage, unexpected motion or security incident involving the Robot or Telepath to Sensori at support@sensorirobotics.com (subject line "Safety incident") within twenty-four (24) hours, and cooperate with any investigation by Sensori or the Customer, including by preserving the Robot, logs and Session Data.

16. Export Control and Sanctions

16.1 The Robot, Telepath and related technology may be subject to U.S. export control and sanctions laws, including the Export Administration Regulations. You must not access Telepath, operate the Robot, or export, re-export or transfer the Robot, Telepath or related technical data from or to any embargoed country or region, or to or for any restricted person or prohibited end use, without all required authorizations.

17. Term and Termination

17.1 This Agreement applies from your first acceptance until your Account is terminated. Sensori or the Customer may terminate or suspend your Account at any time. You may close your Account at any time by contacting the Customer or Sensori.

17.2 Sections 4.3, 5.3 to 5.5, 6, 8, and 9 through 20 survive any termination or expiration of this Agreement and apply to all Sessions that took place before termination.

18. Governing Law, Venue and Jury Waiver

18.1 This Agreement is governed by the laws of the State of Texas, without regard to its conflict-of-laws rules. The United Nations Convention on Contracts for the International Sale of Goods does not apply.

18.2 Any Claim arising out of or related to this Agreement, Telepath or the Robot must be brought exclusively in the state courts located in Dallas County, Texas, or the United States District Court for the Northern District of Texas, Dallas Division, and you consent to the personal jurisdiction of and venue in those courts.

18.3 TO THE FULLEST EXTENT PERMITTED BY LAW, YOU AND SENSORI EACH KNOWINGLY AND VOLUNTARILY WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT, TELEPATH OR THE ROBOT.

18.4 Any Claim you have must be brought within one (1) year after it arises, or it is permanently barred, to the extent permitted by law.

19. General

19.1 **Entire agreement.** This Agreement, together with the Documentation, is the entire agreement between you and Sensori about its subject matter and supersedes any prior understanding between you and Sensori on that subject.

19.2 **Severability.** If any provision of this Agreement is held invalid or unenforceable, it will be modified to the minimum extent necessary to make it enforceable, and the remaining provisions will remain in full force.

19.3 **Assignment.** You may not assign this Agreement. Sensori may assign it without restriction, including in connection with a merger, acquisition or sale of assets.

19.4 **No waiver.** Sensori's failure to enforce any provision is not a waiver of its right to do so later.

19.5 **Third-party beneficiaries.** The Sensori Parties are intended third-party beneficiaries of Sections 9 through 14. There are no other third-party beneficiaries.

19.6 **Notices.** Sensori may give you notices through Telepath or by email to the address on your Account. You may give notices to Sensori by email to support@sensorirobotics.com with "Legal notice" in the subject line, or by mail to any address Sensori designates to you in writing for notices. A notice is effective when received.

19.7 **Headings.** Headings are for convenience only. "Including" means "including without limitation."
